Advertising Policy Statement

Amended 1/26/2016

The Greater Hartford Association of REALTORS® , Inc. (Association), may from time to time sell advertising space in Association publications or on-line media, at prices set by the Association, as the case may be.

The Association strives to meet the educational and informational needs of its membership and advertising space is sold in the Association's publications and on-line media in furtherance of this goal. Advertisements published by the Association should be of a nature, which benefits all Members by informing them of products, and services that are available and relevant to the membership as a whole in the conduct of their real estate business.

The Association welcomes the submission of advertisements. All advertisements must comply with the requirements of this policy in order to be accepted for publication. Advertisements that comply with this policy will be published to the extent that advertising space is available, on a first-come, first-served basis. The Association will notify any advertiser if an advertisement cannot be published.

All advertisements must comply with the following requirements:

Advertisements must be for products or services for use by REALTORS® or Affiliate Members in the course of their business or by their clients or customers and must be real estate related but cannot be in direct competition with any products or services provided by the Association.

Advertisements for real property (whether for purchase, sale, exchange, lease or otherwise), employment-related opportunities of any kind, or any product or service that is not real estate related shall not be accepted.

Advertisements must be factually accurate, must not contain misleading facts or representations, and must comply with applicable Connecticut and federal laws.

Advertisements must comply with applicable bylaws, rules, regulations and policies of the NATIONAL ASSOCIATION OF REALTORS® , INC. and the Association including, without limitation, proper use of all trademarks and service marks.

Advertisements must be consistent with, and not harmful to, or in any way jeopardize or negatively impact the business, purposes, objectives or functions of the Association.

Publication of an advertisement by the Association does not constitute an endorsement of the matter advertised and advertisements must be worded in a manner that does not in any way imply such an endorsement.

The Association, as the case may be, may refuse to publish any advertisement that it reasonably believes does not meet the requirements of this policy.
