As a dual agent, you may not reveal any confidential information which would provide a negotiating advantage to either party except as authorized by either party or required by law. INFORMATION ABOUT FEDERAL LEAD LAWS

Federal regulations governing lead paint apply to "target housing", which with some exceptions means housing built before 1978. Unless an exception applies, if the LISTED PROPERTY was built before 1978, I/we must (i) give buyers the EPA brochure entitled "Protect Your Family From Lead In Your Home", and (ii) give buyers and you (Broker) all information I/we know concerning the presence of lead-based paint and lead-based paint hazards in the LISTED PROPERTY and copies of all records and reports available to me/us pertaining to this. To meet the timing requirement of the federal law, I/we must give these documents and information to a buyer before the buyer is obligated under a purchase contract, (that is, before both the buyer and I/we have executed a purchase contract). Failure to do so may result in substantial damages and/or penalties against me/us under federal law.

I/We also understand that if the LISTED PROPERTY is "target housing" and no exception applies, I/we must permit a buyer a 10-day period to conduct a risk assessment or inspection for the presence of lead-based paint or lead-based paint hazards in the LISTED PROPERTY before the buyer is obligated under the contract. I/We can mutually agree with the buyer in writing to a different time period. The buyer can also waive this right completely in writing.

I/We completed the seller's portion of the Disclosure of Information on Lead-Based Paint and Hazards. I/We will receive a fully executed copy of the Disclosure and must keep it for 3 years after the closing.

I/We may be liable for substantial damages and penalties for failing to meet the duties of a seller under the laws governing lead-based paint.

I/We read and understand this section: All Owners Initial _____

I/We understand that potential serious health risks (including cancer, brain damage and acute illnesses such as eye, nose and throat irritation) are associated with lead substances, asbestos, radon and other environmentally hazardous conditions. Therefore, I/we must tell prospective lessees and buyers if I/we know that these conditions exist in the LISTED PROPERTY.*

If I/we fail to disclose known material information about the LISTED PROPERTY - including the presence of environmentally hazardous conditions - I/we may be violating federal and/or Connecticut law. This can result in (i) rescission of any purchase agreement or lease between me/us and a prospective buyer or lessee, (ii) an award of damages against me/us, as the lessor or seller, or any person responsible for disclosing the information, and/or (iii) statutory damages under federal laws on lead-based substances. This is in addition to any requirement to credit a buyer \$500.00 at closing if I/we have not given the buyer a Residential Property Disclosure Report.

*Further information about environmentally hazardous conditions can be obtained from the Connecticut Department of Consumer Protection, www.ct.gov/dcp, the Connecticut Department of Public Health, www.ct.gov/dph, and the regional office of the U.S. Environmental Protection Agency, www.epa.gov.
